

## NATURAL RESOURCES RESEARCH AND JOB OPPORTUNITIES

### DEADLINES/SCHEDULING (GETTING ON THE BALL):

- November: familiarize yourself with websites...make bookmarks of favorites
- Dec-January: intensive searching, gather application materials, ask grad students/advisor for help FINALizing resumé
- February: DEADLINES are reality (prioritize, back-up plans, and continue searching)
- March: CRUNCH time
- April: search for last minute postings/openings
- May: get started and have fun!

### RESEARCH OPPORTUNITIES TO CONSIDER:

- 5 Colleges Coastal and Marine Sciences Program  
<http://www.fivecolleges.edu/sites/marine/>
- REU brief description with link to search for sites:  
<http://www.nsf.gov/crssprgm/reu/>  
[http://www.nsf.gov/crssprgm/reu/list\\_result.cfm?unitid=5047](http://www.nsf.gov/crssprgm/reu/list_result.cfm?unitid=5047)
- Government Internships:  
<http://www.science.gov/internships/undergrad.html>
- Travel/different type of experiences (sometimes involve raising money):  
<http://www.travel-to-teach.org/>  
<http://www.worldteach.org/>  
<http://www.transitionsabroad.com/listings/work/teachingk12university/index.shtml>

### FURTHER COURSEWORK:

5 Colleges

<http://www.fivecolleges.edu/>

UMass-Amherst Undergraduate Certificates

[http://www.umass.edu/umhome/academics/undergraduate\\_certificates.html](http://www.umass.edu/umhome/academics/undergraduate_certificates.html)

### JOB LINKS:

#### **Favorites**
