

ENVI.SCI Praxis Requirement

All Internship Experiences registered under ENVIRSCI 398 and ENVIRSCI 498 will satisfy this requirement, as will all Independent Study Research Experiences registered under ENVIRSCI 396 or ENVIRSCI 496.

The following courses have been pre-approved to meet the ENVIRSCI curriculum requirements for Praxes. With approval from the EnviSci Program manager, other courses not listed here (included certain Five College courses) may also be considered for meeting Praxis requirements.

ENVIRSCI 452	Haz Waste Operations (OSHA)
ENVIRSCI 465	Prin Envir Site Assessment
ENVIRSCI 564H	Env. Soil Science
ENVIRSCI 565	Soil Form. & Classification
ENVIRSCI 575	Environmental Soil Chemistry
GEO-SCI 519	Intro to Env. Geochemistry, with lab
GEO-SCI 563	Glacial Geology
GEO-SCI 587	Hydrogeology
GEOGRAPH 352	Computer Mapping
GEOGRAPH 426	Remote Sensing
GEOGRAPH 468	GIS & Spatial Analysis
GEOGRAPH 484	Geocomputation
GEOGRAPH 560	Geomorphology
GEOGRAPH 592M	Computer Mapping
GEOLOGY 331	Geological Mapping
GEOLOGY 351	Skills & Methods of Earth Hist. Studies
GEOLOGY 445	Sedimentology
LANDARCH 547L	Landscape Pattern & Process Lab
NRC 526	Silviculture
NRC 534	Forest Measurements
NRC 560	Aquatic Ecology
NRC 564	Wildlife Habitat Management
NRC 565	Dyn. & Mgt of Wildlife Populations
NRC 568	Wetland Soils
NRC 570	Ecology of Fish
NRC 571	Fisheries Sci & Mgt
NRC 577	Ecosystem Modeling and Simulation
NRC 580	Conservation Genetics
NRC 581	Wetland Assessment & Techniques
NRC 585	Intro GIS
NRC 587	Digital Remote Sense.
NRC 588	Web GIS
NRC 590M	Marine Ecology
STOCKSCH 390A	Plant Biotechnology and Tissue Culture
